

COUNTRY ARTS SUPPORT PROGRAM

2020 GUIDELINES

NSW POLICY DIRECTIONS, OBJECTIVES & PRIORITY AREAS

Participation in the arts promotes personal and collective well-being, as well as contributing strongly to an innovative and robust local economy. Increasing attendance at our cultural venues and events will have flow-on benefits for job creation, the visitor economy and education. In 2015 the NSW Government released Making It Happen; a new state plan detailing thirty priority reforms to grow the economy, deliver infrastructure, and improve health, education and other services across NSW. Increasing cultural participation is one of these priorities and the Government has set a target to increase attendance at cultural venues and events in NSW by 15 per cent by 2019.

NSW ARTS AND CULTURAL POLICY FRAMEWORK: CREATE IN NSW

Create in NSW is a ten year policy framework for the arts, cultural and screen sectors. This framework will guide arts funding, future investment and the development of strategic initiatives to achieve the Government's vision for the arts, including increased cultural participation. The Arts and Cultural Development Program (ACDP) is a key mechanism for Arts NSW in achieving these targets.

ACDP PRIORITY AREAS

Growing the quality and quantity of activities in Priority Areas is a key focus of the ACDP. Programs and projects that support high quality activity, engagement and participation with these Priority Areas are of particular importance:

The Country Arts Support Program supports the following ACDP priority areas:

- People living and/or working in regional NSW
- Aboriginal people

- People from culturally and linguistically diverse (CaLD) backgrounds
- People with disability
- Young people

THE COUNTRY ARTS SUPPORT PROGRAM (CASP)

CASP is an annual small grants program administered by Regional Arts NSW (RANSW) on behalf of Create NSW and is guided by the ACDP's three major objectives:

- A creative and vibrant NSW arts and cultural sector renowned for excellence and innovation (Quality)
- State-wide engagement with diverse audiences and communities (Reach)
- A resilient NSW arts and cultural sector (Health) and cultural activities

CASP is not a recurrent fund.

The fund is delivered in partnership with the 14 Regional Arts Development Organisations.

PROCESS

You must contact your relevant Regional Arts Development Organisation to discuss your application before it is submitted. Applications from organisations based in eligible local government areas that do not contribute to a Regional Arts Development Organisation can apply to Regional Arts NSW.

To apply to the 2020 CASP funding round you need to complete and submit an application form by following the links provided on the Regional Arts NSW website. Applications are managed through Create NSW's secure online grants system – SmartyGrants. You will be required to create a SmartyGrants account before you can proceed with your application. You should save your application form on a regular basis and allow plenty of time to review your application before submission.

All applications must be submitted on the RANSW Country Arts Support Program (CASP) 2020 Application in SmartyGrants by 5pm Monday 29 July 2019. Applications will not be able to be submitted after that time.

Once your application is received and has been deemed eligible, it will be assessed, rated and prioritised by the CASP Regional Assessment Panel in your region. The Regional Panel's recommendations for final allocations are forwarded to the State CASP Assessment Panel for ratification. Applications from organisations based in non-contributing local government areas will be assessed by the State CASP Assessment Panel.

The recommendations are then forwarded to Create NSW to be submitted to the Minister for the Arts who will announce the successful grant recipients.

FREQUENTLY ASKED QUESTIONS

What is an auspicing body?

If your group is not incorporated, you can still apply for a grant if you have an auspicing body. An auspicing body is a legally constituted organisation that will take legal and financial responsibility for a grant if awarded. A signed letter from the auspicing body will be required. If a grant is awarded, the auspicing body must also sign the Conditions for Payment of Grant form and is responsible for reporting on the grant within three months of the project's completion. All correspondence and monies will be directed to the auspicing body. It is recommended that grant applicants enter into a written agreement with their nominated auspicing body highlighting respective rights and responsibilities.

What is a Regional Arts Development Organisation?

Formerly known as a Regional Arts Board (RAB), it is an organisation servicing a number of local government areas to provide support and services to local artists and arts organisations. For more information and contact details visit the Regional Arts NSW website.

regionalartsnsw.com.au/networks

What is a non-contributing council?

A council that does not contribute financially to the local Regional Arts Development Organisation, or a council that is outside a RADO area. Applicants can still apply to CASP but must do so through Regional Arts NSW.

What is regional?

For the purposes of CASP, 'regional' currently excludes applications from the Newcastle/Sydney/Wollongong greater conurbation.
